

**We offer everything
you need to make
border crossings painless.**

Now you can ship across Canadian and Mexican borders seamlessly, with less risk of penalties and delays. **Schneider Transborder Services** has the experience and expertise to get your freight cleared faster than ever. We work with customs officials to ensure compliance and to be on the forefront of border security so you can go to sleep knowing your load will make it to its destination safely.

Get across borders quickly and easily with:

- Access to Canadian and Mexican markets with supply chain security and safety
- Visibility among all trade chain partners
- A large base of FAST-certified drivers
- Reduced risk of penalties through standardized processes
- Members of C-TPAT and PIP
- Relationships with local third-party carriers

Cross the border faster with Schneider Transborder Services on your side. Call 1-800-558-6767, ext. 3558 or visit www.schneider.com.

Transborder Services | Mexico | Canada

Note: We do not accept responsibility for shippers who mistake The World Cup for a protective cup.
