

Imagine...

Loon calls echoing in the still night air.

Soft lake breezes through
your kitchen windows.

Quiet walks below swaying
white pines and sun-dappled birch trees.

Imagine
Sanctuary Cove
at Woods Pond.

Here you'll discover the lifestyle successful families have savored for over 100 years. This new 18-home haven in Bridgton, Maine gives you the opportunity to own a vintage lakeside cabin and build a custom-made cottage to be passed down through the generations.
